SOFTWARE MAGAZINE 1995 INDEX

COVER STORY

TITLE	AUTHOR	ISSUE	PAGE
Quaker Oats Reins in Departmental Servers	Michael Bucken	January	52
Case Kids Grow Into Object Veterans	Jack Vaughan	February	88
GTE Reengineers Development Method	Michael Bucken	March	42
SAP Holds Early Lead in C/S Applications Market	Michael Bucken	April	104
UPS Repaves Gateway to IS	Michael Bucken	May	52
NetWare Everywhere: Promise or Pipe Dream?	Elizabeth Harding	June	114
Top 100 Independent Software Vendors		July	63
Complex Development Earns Atria an IS Role	Michael Bucken	August	90
Chase Manhattan Reaps Rewards of New Trading Centers	Elizabeth Harding	September	35
Test Tool Evangelists Convert IS Shops	Michael Bucken	October	42
Purina Mills Warehouses a Legacy of Success	Elizabeth Harding	November	38
LBMS Sets Process Management Pace	Michael Bucken	December	40

SOFTWARE DEVELOPMENT

TITLE	AUTHOR	ISSUE	PAGE
Vendors Put Heads Together to Meet OO Development Challenge	Mary Hanna	January	39
Wanted: Hired Hands to Harvest Legacy Load	Mary Hanna	February	39
Bringing Methodology to Client/Server Madness	Richard Adhikari	March	35
Tool Integration Issues Weaken Repository Efforts to Stand Alone	Mary Hanna	April	39
Farewell to Waterfalls?	Mary Hanna	May	38
Repositories Open Door to Point Tools	John H. Mayer	June	67
Code Recycling Saves Resources	Richard Adhikari	July	31
Same Face, Different Place	Richard Adhikari	August	33
Breaking Down the OO Language Barrier	Paul Korzeniowski	September	43
Test Early, Test Often	Mary Hanna	October	59
Adopting OO Languages? Check Your Mindset at the Door	Richard Adhikari	November	48
Enterprising Tools Look Beyond GUI	Mary Hanna	December	49

ENTERPRISE SYSTEMS AND NETWORKING

TITLE	AUTHOR	ISSUE	PAGE
Platforms Help Administrators Manage Network Muddle	Paul Korzeniowski	January	48
Unresolved Security Issues Blunt Distributed Hoopla	Richard Adhikari	February	44
Distributed Discomfort? Prescription Includes Regular System Check-ups	Paul Korzeniowski	March	52
Pinpointing Unix Performance Problems is a Pain in the Net	Paul Korzeniowski	April	59
Support Shops Call on Automated Tools	Richard Adhikari	May	48
Disks Away!	Mary Hanna	June	79
Net Growth Outpaces Expertise	Mary Hanna	July	41
HSM Minds the Storage	Chris Bucholtz	August	49
When Disasters Strike Distributed Systems	Mary Hanna	September	54
Network Managers Ponder Configuration Conundrum	Deborah Melewski	October	71
Parallel Computing Cart Still Chasing the Horse	Philip E. Courtney	November	60
Distributed Systems Are a Handful	Tony Baer	December	60

DATA MANAGEMENT/DBMS

TITLE	AUTHOR	ISSUE	PAGE
New SMP, MPP Workhorses Spur Database Suppliers	Richard Adhikari	January	58
DBs Won't Share Their Data? Slip Them Some Middleware	Paul Korzeniowski	February	58
Legacy Bumps Slow Trip to Relational	Don Burleson	March	89
Database Technologies Vie for Database Warehouse Occupancy	Barbara Francett	April	70
Parallel Technology Finds Home in Data Warehouse	Barbara Francett	May	63
Data Leaves Home	Don Burleson	June	90
Imaging Gets New Image	Barbara Francett	July	51
Hybrid DBMSs Offer Best of Both Worlds	Barbara Francett	August	61
